**WHO DO.**™

THINKPAD® 8 TABLET

**IT'S A FULL PC  
IN THE PALM OF YOUR HAND.**

Experience full PC performance on the go. ThinkPad 8 is a tablet with the computing power to run your desktop applications anywhere, anytime, and connect seamlessly to wired or wireless networks. The brilliant 8.3" Full HD display and longer battery life make this a multimedia powerhouse, all in a light, slim and stylish tablet. It's perfect for business or school and everything between.

WHY BUY A  
THINKPAD 8?

**1** A TABLET AND A  
DESKTOP

Intel Bay trail quad-core processor lets you run desktop applications 4 times faster\* — right on the tablet.

**2** BRILLIANT FULL HD  
DISPLAY

High-resolution, 8.3" full HD display with ultra-fast graphics.

**3** FULL MULTIMEDIA  
EXPERIENCE

Capture photos with the 2MP/8MP front/back HD camera or 1080p HD video. Optional 'QuickShot' cover lets you take photos with the flick of a finger.

**4** CONNECTED  
ANYWHERE

Connect to a monitor and keyboard via micro USB 3.0, or to a TV using micro HDMI. Go wireless via wi-fi or optional 3G, LTE or WWAN.

\* than previous generation processor

WHO NEEDS  
A THINKPAD 8?

**1** Sales professionals and other mobile workers who need an all-day device to access desktop apps and collaborate on-the-go

**2** IT departments looking for a Windows device that can run desktop apps and is easy to manage remotely.

**3** Students who need a durable multimedia tablet to take notes, do research and stay in touch with friends and family.

## LENOVO SERVICES

ThinkPad Tablet offers a full portfolio of enterprise level services. Better management of multiple devices, more customization options, higher productivity and enhanced security give you the peace of mind you need to get things done.

### ADVANCED EXCHANGE\* (1 TO 3 YEARS TOTAL DURATION)

Maximize uptime and productivity with an Advanced Exchange Warranty Upgrade. If your tablet should fail, Lenovo will send a replacement to you to exchange for your broken tablet by the next business day.

### PRIORITY TECHNICAL SUPPORT \*

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

### WARRANTY EXTENSIONS (1 TO 3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.

\* Not available in all regions

### ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

### LENOVO IMAGING AND ASSET TAGGING SERVICES

Let the experts in Lenovo's Imaging Technology Center provide the customization your tablet needs to ensure it is secure and ready to meet the needs and requirements of an enterprise organization. Save time and money and make sure your tablets are ready to go right out of the box.

**WHY THINKPAD®**

- 1 **Engineered to endure** - Premium materials and layers of reinforcements protect your data even in extreme conditions
- 2 **The gold standard in reliability, since 1992** - Superior cooling, spill resistance and dust protection guard against system failure
- 3 **Thoughtful design inspired by you** - Every small detail is researched and crafted by our engineers for an enhanced user experience
- 4 **Award-winning ergonomic keyboard** - Precision keyboard design for better typing comfort and accuracy
- 5 **A new level in mobility** - Stylish multimode convertibles, tablets, ultra-mobile ultrabooks, performance laptops, mobile workstations: there's a ThinkPad for every need
